Target Audience:

Nurses, Social Workers, Administrators, Mental Health Professionals and other health care professionals who encounter mental illness in nursing homes, clinics, hospitals and other facilities.

Purpose:

To provide instruction by a variety of speakers who will address mental health issues specific to long-term care and geriatrics.

Educational Objectives:

Participants will:

- Learn new information relating to the management of mental health problems in the long-term care setting.
- Become more familiar with the various types of biological treatments available to patients who suffer from psychiatric illnesses and dementia.
- Gain insight into psychosocial approaches used to assess and assist patients who suffer from psychiatric illnesses and dementia.
- Improve their ability to provide mental health care to the geriatric population.

Determination of educational content for this symposium and the selection of speakers are responsibilities of the planning committee and the Course Director.

The Twelfth Annual Mental Health Issues in Long Term Care and Geriatrics Symposium

**Thursday
October 28, 2010**

**Presented At The
Iowa Veterans Home
1301 Summit Street
Marshalltown, IA**

Caring:
Our only reason for being

Welcome to the 12th Annual Mental Health Issues in Long Term Care And Geriatrics Symposium

*As the population of Iowa ages,
it is essential for healthcare
professionals to be adequately
prepared to meet the mental health
needs of our citizens.*

*Healthcare facilities serving the
elderly and disabled are facing
unprecedented challenges as the
prevalence of dementia and mental
disorders steadily climbs.*

Attending this symposium will give you
the opportunity to:

- Interact with regional experts as they discuss many of the unique behavioral challenges faced by healthcare providers today.
- Network with other healthcare professionals facing the same concerns.
- Advance your educational experience at a minimal expense.

Comments From Previous Sessions:

*"It really was a nice day, great facilities, and
excellent content. I will be back next year, so
please offer this conference
again."*

*"Really good information.
At IVH there is lots of
knowledge and resources
available"*

*"This has been the best sym-
posium I have attended. Every
speaker conveyed excellent infor-
mation and presentations."*

*"Realistic speakers-could easily apply knowl-
edge to actual situations. Easy to understand
at multiple education levels and backgrounds."*

*"The symposium was very
well organized and objec-
tives clearly defined, ex-
cellent topics, and
knowledgeable speak-
ers."*

The Iowa Veterans Home is sponsoring this
conference without the financial support of
pharmaceutical corporations.
